## TRANSFORM YOUR PASSION FOR FOOD IN HIGH PROFIT BUSINESS

Join our corporate kitchen business to become a part of smart business community. Cater to businesses with regular, bulk orders, ensuring consistent income and higher profitability.

## WHAT IS CORPORATE KITCHEN?

A corporate kitchen is a dedicated food service operation designed to cater exclusively to businesses and corporate clients. It provides customised meal plans for employees, events or meeting often on subscription basis. We operate behind the scenes, delivering fresh, high-quality meals directly to the offices.

## BENIFITS OF PARTNERING WITH US

### PROVEN BUSINESS MODEL

We provide a turnkey solution, with proven menus, suppliers and marketing strategies

### EXCLUSIVE CORPORATE TIE-UPS

We assist our franchisees in securing partnerships with major businesses and conglomerates, providing regular orders and boost profitability.

### RECRUITMENT & TRAINING

We take care of all staffing needs for your franchise, from recruitment to training. This ensures a fully equipped team, ready to run operations smoothly from day one.

### STEADY CORPORATE CLIENTELE

Regular, large scale orders from our tie ups to insure consistent revenue, reduces reliance on individual customers, and boosts long term profitability.

## TECHNOLOGY INTEGRATION

Our system seamlessly integrates with all majordelivery platforms to ensure timely delivery of orders.
